1. Your memorandum of 5 June 1952, designated Mr.  as Approving Officer for certain expenses incurred by the Psychological Staff Division. Authority for designation of Approving Officer is contained in paragraph  of the Confidential Funds Regulations, which provides that such action shall be by the Deputy Director (Administration) or the appropriate Assistant Directors and specifies that this authorization may not be redelegated.

2. Under the provision of the regulation cited above, it does not appear that a delegation of Approving Officer could be signed on behalf of an official specified in the regulation. If you agree with this interpretation, it is requested that your memorandum of 5 June, attached, be resubmitted over the signature of the Assistant Director or, in his absence, the Acting Assistant Director.
